## PHARMACY LAB

### Pharmaceutical Chemistry Lab

Pharmaceutical chemistry is the study of drugs, and it involves drug development. This includes drug discovery, delivery, absorption, metabolism, and more. There are elements of biomedical analysis, pharmacology, pharmacokinetics, and pharmacodynamics. Pharmaceutical chemistry involves cures and remedies for disease, analytical technique pharmacology, metabolism, quality assurance and drug chemistry, pharmaceutical chemistry leads to careers in drug development, biotechnology, pharmaceutical companies, research facilities, and more. Special emphasis is laid on the implementation of good laboratory practice and analytical skills.

### Pharmacognosy labs

Laboratories of pharmacognosy are well positioned for the proper entry of light which is the essential requirement for the microscopical slides to be observed. The labs are well equipped and suitable for various pharmacognostical studies which the students are undertaking. They provide facilities for the students to acquire skills in learning morphological and microscopical characters of natural drug using, Compound Microscope, Dissection Microscope & Projection Microscope.

### Library

Sagar Pharmacy College has an excellent well equipped centrally air cooled library having ever increasing collection and wide range of books, international journal and magazines. The book bank facility is given to the students. Some features of the library are:-

- Collection of more than 1500 books.
- Collection of good projects and seminar reports.
- Indian/Foreign Periodical / Journal / Magazine.
- Audio-Visual facilities
- Book Bank Facility

### Computer Lab

Our computer lab provides the students as well as faculty with high bandwidth internet speed thereby making them proficient in keeping themselves abreast of all the advanced technological developments that happen around the world. One doesn't have to worry about the power cuts too, as the college computer lab is equipped with powerful backup 24x7.

We encourage our students to carry out deeper research for their projects. Through this, they can build their hands-on experience and upgrade their learning skills. Gurukul Pharmacy College has advanced computer lab to train our students practically.
